EARLY APPLICATION FORM

(to be completed by all incoming Freshmen families requesting tuition assistance)

This single application will be reviewed to determine your eligibility for funding from the various programs administered by BLOCS, OCE, FIFF, and the Archdiocesan High Schools. See the School Code List for eligible schools for Pre-K through 12th grade.

Parent(s): This Student Aid Form will allow you to apply now for assistance for your incoming High School Freshman student(s) for the upcoming **2014-2015** school year. You may also include any High School upper class and Elementary students on this application.

In this form provide your best estimate of what your total income will be this year (2013) in the income section of the application. Also include your 2012 actual income figures in the column provided. *You must supply your 2013 Income Estimate to be considered for any Early Application Award Funds.

The information collected on this application will allow you to be considered for a estimated Tuition Assistance Grant. In January of **2014** you will be contacted and asked to submit your actual **2013** income documentation to complete the application and award process. Final awards will not be provided without documentation of income.
