Good Friday/No School

Dear St. Isidore Families:

So what happens with our students when they leave St. Isidore and travel to high school? Some amazing things! Bethlehem Catholic has shared that four of our alumni have competed in PJAS with the following results: Sarah LiCari 1st place in behavioral science, Robert Shuster a Perfect Score in chemistry, Amy Demczyszyn first place in chemistry and Erin Demczyszyn a Perfect Score in chemistry. Oh the places they will go! Kudos to our teachers that prepared them, the parents who provided them with a quality education and the students who continue to make us proud even when they move up.

Faithfully,

Dr. Robin A. Conboy, Principal

*****PAPA:** *We have an opportunity that arose yesterday to advertise the color run at famous footwear's health fair this Saturday 3/21 from 11am-3pm. I thought it could be a great opportunity to reach people about our race. Could someone be at the store with one of our signs for that time for a credit? Please contact either Dr. Conboy or Brandy Voytko at bvoytko@stisidoreschool.com.*

Please have all students in school by 8:20 am so we can begin our day and testing on time at least for the next week. It is much appreciated by students and staff.
