Spring Picture Day

Dear St. Isidore Families:

This has been an incredibly busy week. Weather challenges have not made it any easier. We have had teams scheduled to compete in STEM (Science Technology Engineering Math) at the Bucks County Intermediate Unit which is reschedule as well as a competition at LC. Thank you to all the parents who met with Middle States, baked and brought in snacks during their visit. It has been a unique experience with the weather [*Again*] and now that I've rescheduled the schedule and calendar it looks like I need to do another update. We are working on the calendar for next year and as a heads-up the school district would like everyone to go on info-snap and sign up for busing for next year. There will be an official letter coming but if you have time please take care of it now.

Faithfully,

Dr. Robin A. Conboy, Principal
