Volunteers

🙋 Volunteer Information – St. Isidore School

We are so grateful for our volunteers—it truly takes a village, and many hands make light work!

There are two types of volunteers:

1. Trip Volunteers

These individuals assist with school trips. All required paperwork must be submitted by April 1st. Details on the necessary forms, including the Mandated Reporter Form, are attached to this email.

2. Full Volunteers

These volunteers help with lunchroom and recess duties (earning PAPA credits and giving our teachers a well-deserved break), as well as other school activities. Additional

Safe Environment clearances are required for this level of involvement.

PA Budget

Important Update Regarding State-Funded Materials

We want to make you aware that due to the **unpassed Pennsylvania state budget**, we have been unable to secure some of our textbooks and instructional materials that are typically funded through state programs.

Fortunately, for several content areas, we've been planning ahead and already have the necessary books in place. However, many of the quotes we secured over the summer for additional materials are now being returned to principals for updates and resubmission. This process cannot move forward until the budget is passed and funding allocations are made.

The last time we experienced a similar delay, we didn't receive our textbooks until **late**

May or early June. While this is frustrating and time-consuming, please rest assured that:

- We are **well-prepared** with digital resources that are renewed annually.
- Our **faculty has been informed and is ready** to adapt as needed.

We appreciate your understanding and patience as we navigate this challenging situation.
